

Your Name: _____

Chemistry 221 Section L3 Exam II Replacement Form

Wednesday, November 11, 2026 is Veterans Day, and we will not be having any classes at Mt. Hood Community College on this particular day. Unfortunately this also falls upon the week of our second midterm exam... and I need you to tell me when you wish to take CH 221 Exam II. Everyone must take the exam by Friday, November 13 to receive credit for this midterm.

Please circle your choice amongst the following options. If you circle "None of these times work for me", you **MUST** contact me by Friday, November 6, 2026 at 9 AM and arrange a make up time for your exam.

Note that **Exam Prep II** and the **"Valence Bond and Molecular Orbital Theory" lab** will be **due at the time you take Midterm Exam II**.

This form is due Wednesday, November 4, at 1:10 PM.

I wish to take Exam II for CH 221 during the following: (circle one)

- Monday, November 9, from 1:10 PM - 2:40 PM, in AC 2501
- Tuesday, November 10, from 8:30 AM - 10 AM, in AC 2607
- Friday, November 13, from 1:10 PM - 2:40 PM, in AC 2501
- None of these times work for me. I will contact the instructor and arrange a make up exam time by **Friday, November 6 at 9 AM**.

Signature: _____

Note: if you wish to stay with the lab section on Monday, Tuesday or Friday, you can complete the "Empirical Formula" lab in person following the midterm; otherwise it will be a take home lab (check your email or talk to the instructor.)
