

CH 222 Sec. W1 Exam I Cover Sheet

Winter 2024

Name: _____

This exam consists of twenty (20) multiple-choice questions and five (5) short answer questions with five points of extra credit.

A periodic table *should* be used on this exam; use the one found here: <https://mhchem.org/pertab/>

Before you start:

- **You MUST use this form for your exam.** If you use any alternative format (including hand written), a 20-point manual grading penalty will be applied.
- Write your **name** in the space above
- **Sign** the integrity statement below. **Failing to sign the integrity statement on this exam imparts an immediate grade of zero.**
- For multiple choice questions: clearly enter your letter answer in the appropriate location. **Circle** the letter which corresponds to your answer. **You must show all work for each multiple choice question next to the problem in order to receive full credit....** if no or insufficient work is given, you will miss the problem. All structures must be hand drawn for credit.
- For short answer questions: clearly **circle** your final answer, **showing all work.**
- Turn in the exam via email to mike.russell@mhcc.edu by **9:00 AM, Friday, February 9.** Late exams will be assigned a grade of zero points.

Point values and your exam score will be summarized on the final page.

Integrity statement:

I have neither given nor received aid on this exam.
