

# CERTIFICATE OF COMPLIANCE ASSESSMENT

## Good Faith Compliance Documentation

---

**Certificate ID:** GF-2026-C7919A

**Assessment Date:** February 19, 2026

**Issued To:**

**Michael Russell**

**Website Assessed:** <https://mhchem.org>

**Accessibility Score:** 100/100

**Issues Identified:** 0

---

### ***STATEMENT OF GOOD FAITH EFFORT***

**THIS DOCUMENT CERTIFIES** that the organization listed above has completed an automated accessibility assessment of their digital properties using ADA QuickScan's technical scanning tools based on **WCAG 2.1 Level AA** standards.

This assessment identified **0 accessibility issues** requiring attention. By commissioning this evaluation, this organization demonstrates a proactive commitment to:

- Digital Accessibility for users with disabilities
- ADA Title II Compliance (for government entities)

- WCAG 2.1 Level AA Standards alignment

## ***SCOPE OF CERTIFICATION***

This certificate documents:

1. **Assessment Initiation** - The organization proactively sought to identify accessibility barriers
2. **Issue Identification** - Technical issues were cataloged and prioritized
3. **Good Faith Effort** - Evidence of intent to comply with accessibility requirements

## ***LEGAL SIGNIFICANCE***

Courts have recognized that organizations demonstrating good faith compliance efforts are treated more favorably in ADA-related proceedings. This documentation serves as evidence that the organization is aware of accessibility requirements and has taken proactive steps to identify compliance gaps.
